
Pre-seed at Charles University outside of Prague II

Support of pre-seed activities at Charles University outside of Prague

EVROPSKÁ UNIE
Evropské strukturální a investiční fondy
Operační program Výzkum, vývoj a vzdělávání

MINISTERSTVO ŠKOLSTVÍ,
MLÁDEŽE A TĚLOVÝCHOVY

The goal: The project followed the Pre-seed I (CZ.1.05/3.1.00/13.0284) and focused on the advancement of intellectual property protection and R&D commercialization at the Charles University departments, which are located outside of Prague, with a special emphasis on the field of Molecular biology and Biotechnology. The further goals was to reinforce organizations within Charles University, which would provide the relevant professional services directly to the R&D departments outside of Prague.

Funded from: Operational Programme „Research, development, education“

Total allocation: 30 077 400,00 Kč

Registration number: CZ.1.05/3.1.00/14.0299

Realization period: 1. 1. 2014 - 31. 10. 2015
