Participants will become familiar with the structure of the EntreComp framework, learn how to navigate it and use selected tools to identify their own entrepreneurial competences. </p> <p> The workshop is practice-oriented: participants actively work rather than simply listen, and use a practical example to explore how the tools can be applied when developing their own idea, project or skill. The workshop also focuses on how to clearly formulate and present identified competences, for example in a CV. </p> <p> At the end of the workshop, participants will create a concrete plan for further developing their entrepreneurial competences during their studies, while working on projects and beyond the university environment. </p> <!-- LEARNING OUTCOMES --> <h2 class="cuni-heading">What Participants Will Learn</h2> <ul class="cuni-outcomes-list"> <li> How to navigate the structure and tools of the European EntreComp framework </li> <li> How to identify and articulate their own entrepreneurial competences </li> <li> Practical skills for using tools to develop an idea, project or skill </li> <li> How to clearly formulate and present their own competences, for example in a CV </li> <li> A concrete personal plan for further developing entrepreneurial competences during their
