The Centre for Knowledge and Technology Transfer of the Charles University has prepared for you a course called **MANAGEMENT of SCIENCE and INNOVATION (MSI)**. The course is available as a part of the lifelong learning program or we are prepared to develop a tailored course to meet your specific needs. You can also choose from individual modules of the course. Employees of the Charles University can attend the course free of charge. Course participants who are not employees of the Charles University are subject to a fee.

The course is offered in 3 levels:

[MSI \(Basic\)](#)

[MSI 2 \(Advanced\)](#)

[MSI 3 \(Expert\)](#)
