
MSI (Basic)

The course consists of three 3 thematic blocks - (1) PROJECT, (2) COMMERCIALIZATION and (3) MANAGER, which include 13 modules.

Topics of the individual teaching modules are:

- 1. Introduction. Development of teams (**classroom lecture**)
- 2. System of science management and evaluation (distant learning)
- 3. Financial sources for science, research and innovation in the Czech Republic and EU (distant learning)
- 4. Preparation of research and innovation projects (distant learning)
- 5. Preparation of own RDI project (distant learning)
- 6. Basics of knowledge and technology transfer (distant learning)
- 7. Protection of intellectual property in RDI (distant learning)
- 8. Business model. Business plan. Spin-out (distant learning)
- 9. Preparation of own business plan (distant learning)
- 10. Communication skills (distant learning)
- 11. Team & time management (distant learning)
- 12. Project management (distant learning)
- 13. Training of communication skills (**classroom lecture**)

The format of the course has been selected to achieve maximum involvement of the participants: they are required to prepare their own projects, they meet leading experts in individual fields and they get a basic overview of project management, time management, communication skills and legislative minimum.

The teaching form is hybrid, i.e. a mix of classroom and distant learning:

Classroom: Zelená posluchárna, RUK, Celetná 20, Prague 1

Distant learning: webinars (in Adobe Connect, usually on Tuesday at 16:00-17:30), teaching tests and videos in Moodle UK

Teamwork: student teams made up of 3-5 participants are required to prepare their own fictitious project, to apply for a grant and to prepare a business plan

The course is taught in **English** and is open every year both in the winter and summer semester. Completion of the course is rewarded by **Certificate about the successful completion.**

Employees of the Charles University can attend the course free of charge.

Course participants who are not employees of the Charles University are subject to a fee.
Fees: 18 000 CZK (course), 2 000 CZK (module)
