
MSI3 - Management of Science and Innovation 3

Do you want to bring your scientific or innovative project to life? MSI3 is here for you!

The course is designed as a **virtual business incubator of Charles University**. **Individual teaching, coaching and mentoring** is provided **by real practitioners** from relevant business and industry.

The course is aimed at **students and staff of Charles University** planning to start a science-related business activity. A contract stating the responsibilities of both mentor and the mentee, expected outcomes, individual deadlines and coaching scheme will be signed at the beginning of the individual programme.

Do you want to register?

- Send us your **motivation letter** to the e-mail msi@ruk.cuni.cz .
Motivation letters can be send by applicants continuously.

Completion of the course is rewarded by **Certificate about the successful completion**.

Students and employees of the Charles University can attend the course **free of charge**.

Course participants outside the UK pay the course fee. Fees: 18 000 CZK (course)

Annotation

Guarantor of the course: Mgr. et Mgr. Hana Kosová
